## NEWSLETTER

Dear Burlingame Soccer Club Families,

It's hard to believe, but our Spring season is finished! All of our teams worked hard and, more importantly, had fun learning the skills required to be a positive teammate and compete at the Club level—all BSC soccer players should be proud of their season and effort. The entire BSC coaching staff is incredibly proud of all our players!

We are very excited about the level of participation and your commitment this season, and we believe next season will be even more exciting. If you haven't yet, **please register now for the Fall 2017 season.**

We would like to share with you some recent news and events for the Summer:

### Girls' Academy Teams are getting ready for the San Diego Surf Cup!

### BSC Summer Festival

We held our inaugural BSC Summer Festival! Over 200 people attended the festival and enjoyed a ton of fun events! We even had a chance to dunk BSC coaches in the dunk tank! The proceeds will go to support our financial assistance program, gain adequate and upgraded field space, as well as fund coach training and development.

### Summer Camps in Burlingame

[Register for BSC Futsal Camps!](#) These camps will provide a chance for players to polish up their fundamental skills essential for being a well rounded soccer player. With low numbers of players to coach ratio this will lead to more focus from the coach to the individual player and offer greater opportunities to play small sided games.

Please go to BSC website [www.burlingamesoccerclub.org](http://www.burlingamesoccerclub.org) and click on **PROGRAMS => CAMPS** to check other camps offered this Summer.

We wish you and your family a wonderful summer, and we are already looking forward to the start of our Fall season!

Sincerely,

Burlingame Soccer Club
